## **Direct Bolt on No Cutting or Modifications required**

**These sliders self tighten during forward impact.**

**The Spindles can be used for bobbin supports for rear stand usage.**

*Black Anodized Aluminum Sliders with Stainless Steel Rod*

# **Installation Instructions:**

## **Parts List:**

One Rod Assembly  
One Removal Slider (Black Bobbin)  
One Stainless Self Locking Nut  
One Skyking logo hole plug

**Precaution:** Secure motorcycle using a rear stand as a minimum.

## **Tool Requirements:**

Metric socket set.

## **Swing arm Sliders (Rear Axle Sliders) install info:**

1. Slide from the left side (clutch lever side) the Rod assembly through hollow rear axle.
2. Thread on the black bobbin and hand tighten.
3. Install self locking nut and tighten until entire assembly locks into place. No need to over tighten as the locking nut will secure the entire assembly.
4. Press on the hole plug.
5. Confirm all hardware is secure.
6. Test ride and double check hardware.

## **Warranty and Remedy:**

Skyking hereby warrants that at the time of delivery thereof the parts bought will be free from defects in material and workmanship and will conform to the requirements of the order. Skyking assumes no liability for faulty or improper installation or use. All claims under this warranty must be made in writing to Skyking. Upon receipt of authorization from Skyking, the parts claimed to defective or non conforming must be returned freight prepaid, to Skyking. Skyking will repair, or its option, replace any defective or non conforming parts and will return the repaired part or its replacement without charge. The failure to give Skyking written notice of any claim hereunder within the warranty period shall constitute a waiver of all claims hereunder. The foregoing states Skyking's remedy for any breach of warranty and for any claim whether sounding in contract or tort, based upon any defect in Skyking's parts. This warranty does not extend to the parts that have been altered or repaired nor does it extend to parts that has been subjected to misuse, neglect, accident, or improper installation. Skyking shall not, in any event, be liable for any incidental or consequential damages nor for any other damages more than the purchase price for the part. By accepting and or installing this item you fully agree to the terms and conditions of the warranty. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WRITTEN, ORAL, OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
